

WYMONDHAM IN BLOOM @HOME

Hey Wymondham!

Spring is well and truly here, and now is the perfect time to spruce up your front garden and street-facing windows.

Sadly due to the current COVID-19 situation, we are unable to run Wymondham in Bloom the way we did last year. So we are inviting you to join us in an **@HOME** version of our competition. And we're going to go an extra step by incorporating a **rainbow theme** into our front gardens.

So whether you plant flowers with all the colours of the rainbow, paint a birdhouse or create a colourful artwork to display, the possibilities really are endless. See below for some ideas to get your creative juices flowing.

When you're done, take a photo and send it to **Wymondham Town Team** via Facebook or email us wymbloom@gmail.com. You can also display the Bloom **@HOME** logo in your window to let others know you're participating.

We will create a map of Town showing streets where participating houses are located so people can enjoy them on their daily walks. All projects should be visible from the street/pavement so social distancing can be maintained.

Later in the summer we will recognise our favourite projects with some fabulous prizes, so come on Wymondham, show us what you've got!
